Comprehensive Plan**

**Snacks &  
Beverages Provided!**

**Envision Your Future!**

Town of Parachute will host a community vision event as an initial step in the update of the comprehensive plan. The comprehensive plan will cover a range of topics such as economic development, parks and recreation and the 3-mile planning area that includes Battlement Mesa. RPI Consulting will facilitate an interactive workshop resulting in vision statements that will guide the update of the comprehensive plan.

Participants get a chance to use keypad polling, allowing them to provide electronic feedback anonymously. Polling results will appear on the screen instantly. Also, Keep an eye out for the mail out and web community surveys going to residents of Parachute and Battlement Mesa.

Consultants will also provide an overview of the plan process and identify coming opportunities to contribute to the plan.
